Product Description

DR Power XD30 Walk Behind Field and Brush Mower

The XD30 is our top-of-the-line commercial mower, featuring 30" cut and independent hydrostatic wheel drives for ease of handling. The electric-starting Kawasaki engine has a 3-year commercial warranty.

XD Commercial Series: 30" Cut & Kawasaki Engine

Our XD Series Field and Brush Mowers are built for the demands of commercial use: frequent use, long runtimes, daily transport, and ease of maintenance.

The XD30 cuts 30" wide and features a robust Kawasaki FS600V electric-starting engine. Independent hydrostatic wheel drives ensure ease of handling without fatigue. Built-in hand guards protect the operator while mowing brush.

Transport is simplified with integrated tie-down hooks that make trailering fast and easy.

Product Summary:

- 18.5 HP Kawasaki FS600V Engine, Electric Start
 - Hydrostatic Drive: 2 independent wheel drives for fingertip control
 - Variable speed drive, forward and reverse with zero-turn radius ability
 - 30" cutting deck
 - Pivoting deck follows the contours of the ground
 - Oil pump for superior performance on hills
 - Handguards protect the operator's hands from brush and briars
 - Integrated tie-downs for ease of transport
 - Tool-free drain hose for simple oil changes
 - See Features and Specs Tabs for more product details
